ORDER:

The Special Officers of the District Boards of Guntur, South Kanara and Salem have raised the question of the disposal of the Provident Fund accumulations of the vaccinators mentioned in the margin* on their confirmation as Health Inspectors in Government Service. They are informed that the accumulations in the District Board provident funds should not be closed and paid to the Health Inspectors but should be transferred to Government accounts under the General Provident Fund for payment to them at the time of their retirement from service. The balance at the credit of each subscriber transferred to the General Provident Fund will bear interest in the manner prescribed in rule 13 of the General Provident Fund (Madras) Rules, Before the transfer is effected the auditor of the District Board Provident Fund should furnish to the Accountant-General an audited and certified statement of the correctness of the balance at the credit of each subscriber.

* Sri T.Ananda Rao, Vaccinator, Guntur District Board.

Sri K.H.Krishna Iyer, Vaccinator, South Kanara District Board.

Sri P.S.Narasimhan, Vaccinator, Salem District Board.

2. The Special Officer, District Board, South Kanara has reported that the vaccinator, Sri K.H. Krishna Iyer,(who has completed his probation as Health Inspector)/has been subscribing to the General Provident Fund (Madras) and that his District Board provident fund account had to be closed, as he failed to subscribed to the fund in spite of orders from Government and instructions from the Director of Public Health. The Special Officer is informed that the vaccinator is still an officiating Health Inspector holding a lien on the post of vaccinator under the South Kanara District Board, and that he need not subscribe to the General Provident Fund under Government so long as he is required to subscribe to the Contributory Provident Fund under the District Board.
